## Circular

### Subject: Digital Life Certificate for PRMS through Face recognition

Based on the suggestions given by Ex-employees, HRUSS in association with HR-Tech & IT Department, WR-I is rolling out a new process of Digital Life Certificates updation through Jeevan Pramaan Face application, wherein ex-employees can generate Jeevan Pramaan Id from the comfort of their home by simply capturing their face through a mobile based application and authenticating the same through Jeevan Pramaan Face Application.

Updation of Life Certificate for PRMS will consist of two stages –

- A) Ex-Employee (and spouse) generating Digital Life Certificate with the help of Aadhaar FaceRD(<https://play.google.com/store/apps/details?id=in.gov.uidai.facerd>) and Jeevan Pramaan 3.6 Android Face App (Goto Jeevan Pramaan portal- Download application- Mobile Face App Download)
- B) Ex-Employee submitting his Pramaan ID on the NTPC ex-employee portal(<https://ntpccemployees.ntpc.co.in>)

The new system of Aadhar based Digital Life Certificate for PRMS is being launched with immediate effect.

HRUSS is also pleased to inform that the IPD facility in respect of all ex-employees have been extended in Sanjeevani Portal till 31<sup>st</sup> December (instead of the present practice till 31<sup>st</sup> Oct ) based on the declaration of existence of the previous year submitted in the month of November.

This issues with the approval of the Competent Authority.
