It has come to notice that many a times PRMS beneficiaries are getting difficulties in obtaining the services of empaneled hospitals. In order to streamline the procedure and getting the services without hassles, it is requested that the beneficiaries visit the Sanjeevani site at <https://sanjeevani.ntpc.co.in/> and ensure the status of empanelment before visiting. We are doing our best to ensure to maintain the empanelment status of the hospitals, however, many hospitals are being de-empaneled because of lack of IT exemption from Hospital side.

Besides the Sanjeevani Portal one post of Associate PRMS has been created at EOC Noida to resolve all issues of PRMS employees with regarding Hospital Admission, treatment of all bills related issues.

Dr. A.G. Risbood, Ex.CMO NTPC has been appointed as Associate PRMS. He is available at prms.ntpc@gmail.com, Mobile No. **8527597120** & Landline No. **0120-4948012**.

All PRMS beneficiaries are instructed to avail the above-mentioned services for any medical related issues.
